### CANDID Tamara!

Last week I lived out one of my sexual fantasies by having my first lesbian fling. I am temping as a maid and I was sent to this big house in London.

When I arrived I knocked on the door to be greeted by the sexiest woman I have ever seen. She introduced herself as Jane.

When she'd shown me what had to be done, she left for work. After a hard morning at it I was finally finishing up. I only had the master bedroom to do.

While making the bed I came across a 10 inch black vibrator under Jane's pillow. I could still smell the scent of her cunt on it.

I started to fantasise about Jane using the vibrator on herself and on me. I lay on the bed, shut my eyes and started to wank my clit. As I rubbed myself up into a frenzy I imagined Jane stuffing every last inch of the big black vibrator

up her cunt. My breath quickened as my rubbing became more frantic.

As I was about to cum I felt hot breath on my pussy. I had not heard the key in the door and now Jane was kneeling beside the bed with her tongue ready to lick my wet hole.

I was a bit shocked and I went to close my legs, but Jane stopped me and smiled.

She started to lick my clit with her wicked tongue.

Then she started to finger me, working one and then two digits up me until she was finger-fucking me with three fingers.

I started stroking her long blonde hair and then I thrust her head into my cunt and held it there until I came into her mouth.

With my cum dripping from her mouth, she stood up to remove her suit. I could not take my eyes off her sexy body and shaven cunt. Jane lay down on the bed beside me in the 69 position and I edged

nearer to her cunt. She was beginning to moisten and I could smell her juices. Being a muff virgin, I was a little bit scared.

Jane picked up on this and reached down to thrust my head into her cunt, which was now dripping. I tentatively began to lick her pussy.

I found that I really liked it, and as she pushed my head further into her minge I began sucking away like I'd been doing it for years.

As I licked Jane's clit she started to rub my cunt with her vibrator.

It was an amazing sensation having another woman pleasuring me for the first time.

Within seconds I was cumming all over the place. Jane then switched it to full power and plunged it inside me.

She started fucking me with it, sliding it in and out of my gash while circling my clit with her thumb. Then I came again and it gushed over the vibrator.

This sent Jane over the edge with pleasure and she just could not stop cumming.

I lapped up her

juices like a pussycat.

After hours of licking and fucking each other with the vibrator we lay there exhausted in each other's arms.

As I was leaving, Jane kissed me on the cheek and said she would be booking me again.

All the way home, my pussy was leaking juice at the thought of the fuck I'd had.

That night I told my boyfriend who was hugely turned on. He promptly got me dressed up and took these photos before giving me a fucking good seeing to!

Tamara, Middx.

Well here's a sight for sore eyes and no mistake – if it isn't Abigail Toyne! What a cracking way to start off the new issue! Welcome back, Abi!

"Well thank you! Yes, it's been a little while, hasn't it? I took a few years off for a couple of reasons, but just after Christmas I started to get a real yearning for appearing in mags again. No matter how much fun you're regular job is – and mine was OK! – there's no beating the thrill of knowing that guys up and down the country are getting off on pictures of you! I've been feeling hornier these last few weeks than I had for ages!"

### EVERY HOLE'S A GOAL!

Feeling unsure about whether you'd rather be watching scruff or footie this summer? It's a tough call, but why not combine the two with this Dutch flick, which features loads of cracking teenies getting reamed... with a rather feeble football

connection uniting the scenes. First off three of them are watching the big game when a neighbour knocks on the door to complain about the noise. To stop him whinging they strip off, suck him off and then all climb on for a good porking. Even when he's cum they're still blathering on about the football! Still, there's plenty more of that sort of thing - the odd solo scene and even a really feeble game played in the nude before the girls all head to the showers to lez up! Available from your local sex shop.

### IN HER - HARMONY!

Readers of Escort won't need telling how horny Harmony Reigns is - they've been treated to the sight of her tremendous jugs and all her other assets a few times now. Still, it's a different kettle of fish seeing her in action in a full-on fuck flick! She gets herself (and us) nicely warmed up with a solo scene in which she gets her money's worth out of a pink vibe, and then it's time for the porking proper to begin. She takes a cracking seeing-to on the sofa, her fulsome knockers jiggling about all over the place before she finishes him off with a titwank, and there's plenty more to come, including a Cleopatra-themed threesome, which you don't see every day! Available from your local sex shop.

### Dear Julia

Although I'm not what you'd call a massive fan of tattoos (I reckon a lot of them look pretty crappy and ruin what's naturally beautiful already) I was completely blown away by Sonia in 37.06. What an absolutely stunning girl, and her inkwork was immaculately tasteful as well. She's clearly very interested in original designs, and I'm sure she'd like to know that this Escort reader of many years certainly has designs on her – although they're possibly not especially original! I bet she's an absolute firecracker in the sack, and I envy anyone who gets to find out for themselves. Please, let's have Sonia back in the mag again before too long so I can feast my eyes on her perfect curvy arse and sweet pink pussy again! Bill, Harrogate.

### Designs on Sonia!

## DEAR JULIA

### Dear Julia

I've read many letters in Escort about dogging, and finally, after reading about Theresa's exploits in your last issue I thought it was time I checked out where my local dogging spot was and gave it a try. It didn't take long to find it – a quick search online even told me which nights were the best and what I might expect, but I was still nervous when I pulled up there one night last week and waited to see what might happen. There were a few other single guys about and we all kept a polite distance from each other until, after about 45 minutes, a car pulled up and a couple got out. The woman, who must have been in her late 40s, took off her coat to reveal little more than a thong on underneath, and proceeded to nosh her fella off right in front of their own headlamps. Quickly a small crowd gathered around them – including me – and one after another she set about sucking and licking all our cocks. Needless to say I didn't last long, and I spurted the biggest load of my life all over her massive boobs, which was soon to be joined by 7 or 8 other loads. She loved every second of it – as did I and everyone else there. Needless to say, I'll be going back again this week! Harry, Wrexham.

### Doggy tale!

## BEHIND THE CURVES!

There's a lot to be said for keeping things simple – curvy chicks getting pronged by blokes with big pricks isn't really rocket science, when it's done well

but it takes some beating (off to). Alana Lace sets the bar pretty high with her humongous funbags swinging about wildly as she takes a length, but every one of the girls here is admirably proportioned. Boob-tastic black babe Maserati closes out in particularly fine style. Available from your local sex shop.

Realistic Male Masturbator Mouth With Soft Teeth £29.95

[www.sextoys.co.uk](http://www.sextoys.co.uk)

There are plenty of strokers out there for those who fancy the feeling of something different to old Mother Palm and her five daughters, but one thing they've all lacked so far is... teeth! That's right, all the blow-job simulating ones have been more akin to getting a gumming from

grannie until now, but not any more! And the good news is that you don't even have to brush them – just pull the insert out of the hard

body and wash with ease. Blimey – they think of everything these days!

# REAL WIFE SEX

*Tina doesn't mind being in Generation Rent!*

**"I noticed how much heat radiated from his cock as I kissed my way up the shaft..."**

**I**t was one of those freakishly hot days we had last summer – at least 80 degrees outside and almost as hot inside. The 'air conditioner' in my house had decided to pack up, so my landlord had promised to buy a new part and fix it that day. Fed up of waiting around for him, I decided to take a shower in the hope it would cool me off. As I was rinsing the suds off my body, I heard my landlord yell, "Hey, Paula, it's Daniel! I got the air fixed, but I'm going to wait around for a bit to make sure it works."

Even though he regularly let himself in, I jumped upon hearing his voice – but was excited at the prospect of him hanging

around and wondered if he would finally make a move on me. The first time I came to look at this house, I was impressed – not just with how nice the house was, but also with how hot the landlord was. He stood about 5'10, had muscular arms and sexy blue eyes; I made my mind at that moment to have the house... And the landlord! Since I moved in, I periodically called Daniel over to fix things. Whenever he came around we would flirt outrageously, but he was a perfect gent, and I was too shy to say anything. That is, until that particular day. I decided that I was going to show him exactly what I wanted fixing – I was hot in more ways than one and Daniel himself

was what I needed.

Wrapping a towel around me, I stepped out of the bathroom and found Daniel leaning against the wall outside, with a cheesy grin on his face – but all I could see was his beautiful, naked chest. He had been working all day without his shirt on and I was getting a close-up view of his tight, chiseled abs. Feeling my knees go slightly weak, I smiled and sheepishly said, "Hi" as I fought the urge to run my hand down his glistening chest. Once again my shyness was taking over, so I waited to see what he would do. I didn't have to wait long; he stepped forward and whispered softly, "You are so beautiful."

I blushed as he put his hand on my cheek, and felt butterflies in my stomach. What was wrong with me? I was thirty years old and felt like a schoolgirl as we stared into each other's eyes!

He leaned forward and kissed me on the lips. I felt myself melt and as I ran my hands

over his smooth chest, my towel slipped to the floor. Mildly embarrassed, I went to grab it but he stopped me by enveloping me with his toned arms and kissed me again, his tongue exploring my mouth as his hand wandered down to my perky breast. By this time my nipples were swollen and aching to be touched. I pulled away from him and, grabbing his hand, led him to my bedroom.

Stopping short of the bed, I turned around and pulled him in close. Sexily, I began kissing his lips and then worked my way down his neck. His skin smelled of sweat and I felt my temperature soar; I have always loved the scent of a man after a hard day's work. As I kissed and licked down his chest towards his nipples, I began rubbing my hand over his crotch, fingering the outline of his hard prick through his jeans. I was ready to get them off so I could see what awaited me – I could feel his member pulsating and yearning to get out. Looking in his eyes as I sat on the bed and unbuttoned his jeans, he smiled as his cock struggled to be freed. It was beautiful and I couldn't wait to wrap my mouth around it.

Pushing his jeans and boxers to the floor with one hand, I took his cock in the other and grinned up at him. I noticed how much heat radiated from it as I began kissing my way up the shaft, working my tongue

around the girth then sucking the tip before taking his whole cock in my mouth. We soon found a rhythm – me sucking hard as he moved his cock in and out, fucking my mouth. He let out a loud moan as I gently massaged his balls. His cock felt so good in my mouth I didn't want to stop, but he suddenly pulled my head away and told me it was my turn...

Pushing me back on the bed, he pulled my legs apart and knelt between them and as my clit throbbed with anticipation, I realized just how wet I was. My pussy tingled as he began licking my labia, all the way up to my swollen nub. As he sucked away and

from my crotch and a wicked glint appeared in his eye as he watched me stretch out like the cat that got the cream.

"Damn, Paula, I need to get inside you," Daniel told me as he crawled up and positioned himself between my legs, his hard cock rubbing on my thigh as he kissed my lips. Reaching down, he guided his thick tool into my pussy, making me gasp as I felt him fill me up entirely. He felt so good that I couldn't help but moan continuously, and as he pumped harder and harder, my breath came out in short bursts. Then, quite suddenly, I felt my muscles begin to

**"He pulled my legs apart and knelt between them as my clit throbbed with anticipation."**

flicked it with his tongue, my legs started to shake and, the sweat running down my back, I let out an involuntary moan. Daniel glanced up momentarily; a huge grin plastered on his handsome face, then continued to work his magic between my legs. I groaned loudly as the energy built up inside me and, as my body shuddered and my fanny twitched, I reached the best climax I've had.

A few moments later, his head emerged

tighten round his cock and waves of pleasure wash over me as I released the tension of my second fabulous orgasm.

Daniel still had plenty of fuel left in the tank, and I came several more times before he was ready. When he finally he shot his spunky cream into me and I felt his hot liquid filling my cavity, I was completely and utterly satisfied. So much so, we're still seeing each other. My landlord certainly knows how to keep this tenant happy!

## Happy Campers

**W**hile driving to Yarmouth caravan park I pulled into a garage to get some petrol when a young girl came up to me and asked if she and her girlfriend could have a lift. Being a 42-year-old red-blooded (although married) man and the girls in the shortest mini-skirts I have ever seen I agreed. As we drove along I found myself looking at more leg than I have in years. A sports car driven by a girl passed by and one of the girls Sue said that a flash car meant dirty knickers. I said didn't she mean fur coat and no

knickers. "Well I don't wear fur and I've got no knickers," she said. "With that short skirt you must be joking," I said, but when she pulled my hand off the gear knob and thrust my fingers into her hot juicy pussy I knew it was no joke. For the rest of the journey down to the caravan park, the girls changed gear for me while I finger-fucked both of them. When we got to the site the girls asked me if they could stay with me for the weekend as they'd like to fuck my brains out. Inside the caravan, I looked them over.

02. RUTH

Sue was blonde and slim with DD tits, Ruth was darker with small boobs. They went into the bedroom and soon I heard my name being called. I went in and pulled back the quilt. There they were both starkers. Sue was flat on her back

and Ruth was giving her pussy a good licking. I put my cock in Sue's mouth and she licked it up and down, pushing her tongue into my slit. Then we changed round with me sucking out Sue's cunt while Ruth sat on her face and got licked out. Ruth told me to get between Sue's legs and I inched my cock into her cunt all wet. Her pussy was so hot I had to keep pulling out to stop from cumming and I used the head of my cock to stimulate her clit. Ruth put her own face down on Sue's tummy, looking at my cock which was going in and out like crazy of Sue's cunt. I pulled out and spunked all over Ruth's face. Sue couldn't see so I gave her a commentary. "Sue, I am cumming all over her face and she is loving it! She's covered in my white muck!" The more filth I spoke the harder I came. I had never shot that much before. I sat on the bed and watched as Sue licked Ruth's face, her tongue scooping up big blobs of spunk.

If you want a job doing properly, ask a woman, right? Well that's what we'd always been told, but we're starting to have second thoughts. All we wanted was a bit of carpentry work doing and as Louisa was in the neighbourhood we thought she'd be perfect. Well, not a bit of it – she hardly knew one end of a drill from the other, and when we asked if she had her own jigsaw she just laughed and said she hadn't had any jigsaws since she was little. In the end we gave up on the whole carpentry thing and let her get on with whatever she wanted to do, which luckily for us was strip of any play with her juicy cunny!

A photograph of two women, Nicole and Kate, dressed as brides. Nicole, on the left, wears a pink veil and a pink and black patterned dress. Kate, on the right, wears a white veil and a white lace dress. They are sitting on a red patterned surface and kissing. In the background, there are pink banners that say "GIRL'S NIGHT OUT!".

In this day and age you really don't need a bride and a groom for a wedding to take place – and if the evidence of these photos is to be believed, two brides is probably the better option!

"Well, a cock or two wouldn't go amiss!" grins busty Nicole, but I reckon Kate's pussy tastes better than any wedding cake I've ever had!"

"Yeah, although perhaps a couple of cocks and a cake for afters would be the ultimate arrangement!" chips in Kate, before getting back to the feast in hand...

It took us a moment to recognise her, because when Anna last popped into Escort over a year ago she was a brunette, but now she's gone all blonde on us! Still, you don't forget a pair of boobs like those in a hurry, and we soon put 34DD and 34DD together and twigged it was her! So why the change?

"Well, they say gentlemen prefer blondes, so I thought I'd give it a try – simple as that!"

And has it worked so far?

"I think that, being blonde, you probably turn more heads when you walk into a bar, which is always good start! Mind you, a lot of the guys turn out not to be exactly gentlemen. Still, I think I prefer it that way!"

# JANEY

For any of you out there hankering for a good old fashioned muff, allow us to introduce Janey, a randy Yorkshire lass who's all to leave it au naturel downstairs! "Aye, I did try having it shaved a few years ago, but I never quite took to it. Once the shaving rash has gone the stubble's started to grow back and, well, it was all too much bother. And besides, in my experience men are more than happy to spend a bit of time face deep in a hairy pussy!"

We dare say you're right – who'd turn their nose up at that!

**Have you got to the stage where you can't welcome a nice sunny day without worrying that it's a consequence of climate change? Honestly – it's hard to enjoy anything without there being a downside, but one way to guarantee that you'll enjoy a nice day is to get a horny woman round to take her clothes off in the garden – so that's what we did! Lotti, it turns out, loves nothing better than getting her bits and bobs out outdoors, so everyone's a winner!**

## Dune Tuggy!

**M**y husband and I like to go to our favourite nudist beach whenever we are free and the weather is looking good. He doesn't like to strip off in public, but I certainly so. He just loves to go along and see other guys stare at my naked body, and of course with me being an exhibitionist, I bloody well love it!

The serious naturists all stick to the beach, but we like to go into the sand des where all the single males hang out. There is a wide entrance to the dunes from the beach area, and it's here that all the guys like to walk up and down hoping to see a thing or two. We find an area in full view, and I remove my clothes.

I'm not one or sunbathing so my skin is very fair. This, along with my unshaven (but trimmed) pussy stands out among all the other tanned naturists. I lie down on a towel, but then decide to

take a walk to the see and back so they can all get a good look.

When I return my husband has the sun cream ready and I notice that a number of guys have positioned themselves across from us. Not wanting to disappoint I lie down so they all have a full view of my pussy. I also open my legs, displaying my labia. By now a number of guys are playing with their cocks, and some of them are walking past, stopping when in clear view of my now soaking wet pussy. This blatant ogling always turns me on like you wouldn't believe.

We decide to go for a walk in the dunes, knowing full well that we will be followed. At the top of the dune there's an older guy stood up, watching us as we get closer. I have a real thing for older guys, and he has a gorgeous semi-erect cock. We decide to ask him if he'd mind taking

a picture or two with my husband's phone. He gratefully accepts, making a comment about not seeing too many natural

pussies on the beach any more, and how he loved mine.

After he returned the phone my husband asked if he'd like to come and watch me masturbate. Even though we'd been discussing this fantasy of mine on the way to the beach I was still taken aback when he said this. My heart was racing as my husband led the way to a shallow basin in the dunes. I looked round to see the older guy following, but

CT  
I

also several other men. There must have been about 12 of them, all eagerly heading our way.

Once there my husband kindly laid down a towel for me to lie on, which I did. My heart was still pounding but the anticipation, and the arrival of the other guys, had my pussy throbbing and my legs we soon wide open with my fingers running over my soaking wet clitoris. Nobody uttered a word, but they all formed a circle around me and started to wank themselves off. The size of the guys' cocks varied greatly, but I loved watching each and every one of them as I continued to play with my pussy. Needless to say, it wasn't long before the most incredible orgasm ever ripped through my body.

One by one the guys shamelessly came all over my body. I was covered in hot cum and I fucking loved it! There was one quite elderly man still frantically wanking away at his

tiny cock. I kneeled up to him and took over, grabbing his balls with my other hand as I pumped his shaft. I could see that he was about to cum, so I took his cock in my mouth, and I swallowed every last drop of his seed, which was quite a lot considering the size of his cock and balls!

Soon after that my husband and I left the dunes and headed back to the car, both feeling incredibly horny and thinking about our next fantasy of a gangbang in the dunes. We can't wait until summer arrives!

Susan, Leeds.
